**52ND BIRTHDAY  
PROPHETIC DECLARATION”**

## INTRODUCTION

"The Second Half Prophetic Declaration" Prayer Journal with Theme: Job 42:12 – And the Lord Blessed the 2nd half of Robo's life more than her first was a prophetic Word I received from the Lord 4 weeks to my 52nd Birthday.

There has been so much contentions over my destiny and the darkest and most difficult of all is the transition of 2021 till date. While men thought it was over for me and even my little mind believed the many noises from people around, the Lord of hosts, the maker of the heavens and the earth, my saviour and my redeemer and the Lover of my soul,, came to me in a divine encounter in 2022 and whispered lovingly to my ears, " It is not the end of your life! It is the most exciting season of your life and the one I have been waiting for!"

He has not left me hanging for a single moment! His grip on me gets stronger by the day as He whispers yet again through Job 42:12.

**"Twice as Blessed: 30 Days of Prophetic Prayers and Declarations"** journal is designed to guide anyone who would love to key into these prophetic declarations, prayers, and reflections. Maybe you are already in your 2nd Half or approaching your 2nd half, you can join me as we step into the "second half" with faith and expectation. Each day focuses on a theme of restoration, victory, and double portion blessings rooted in Job 42:12.

With Love and gratitude,

**Robo Joan**
